

THE NATIONAL HISTORIC PRESERVATION ACT of 1966

URNS 50 IN 2016!

The Louisiana State Historic Preservation Office invites you to
take a “SELFIE” or Photo at a historic property in our state.

Visit a historic resource in your community or statewide, take a selfie, and post it to one of your social media accounts using any of the following hashtags: #LaSHPO, #LaBuildingSelfie, or LaArchSelfie (Archaeological Sites).

Share in the celebration!

STEP 1. Take a selfie at a historic property in Louisiana.

STEP 2. Tag it with #LaSHPO and #LaBuildingSelfie, or #LaArchSelfie (Archaeological Sites).

STEP 3. Share with your friends via Instagram, Facebook, or Twitter.

Please be sure your photos are clear. Photos will be used in a poster. Not all photos will be chosen. NOTE: Hashtags should not contain spaces—if a space is added, only the characters adjacent to the hash will appear in a search. Deadline for photos to be considered for inclusion is April 29, 2016.
